AMENDMENT REGARDING  
SEQUENCE LISTING

ART UNIT: 1653

EXAMINER: G. BUGAISKY

Honorable Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Sir:

This is a response to the Office Action mailed August 8, 2000, in which the Examiner indicated that sequence listing information provided in the application as filed must be corrected.

Enclosed herewith is a substitute computer readable form (CRF) copy (a 3 1/2" diskette) of the "sequence listing". Also enclosed is a substitute paper copy printout of the above-described CRF.

AMENDMENT

Please insert the substitute paper copy of the sequence listing after the Conclusion on page 15.

The undersigned attorney of record hereby certifies that the content of the enclosed paper and the computer readable copies are the same and that no new matter is being introduced by this amendment.
